The icemaker that the Women's Fellowship had installed in the church kitchen several years ago will be removed in a few days. Consequently, anyone using the kitchen will be required to provide their own ice supply. The decision to removed the icemaker is because of the continuing cost to maintain it.

First of all, let me thank you in advance for all the delicious baked goods that will be donated to our upcoming BAZAAR. Of all the crafters participating, the "baked goods" table is probably one of the most popular. On Friday night before the BAZAAR, Women's Fellowship members work hard receiving, pricing, and arranging all the baked goods. If you are making some delectable cookies, we would appreciate, if possible, your packaging them 3 to 4 to a plastic sandwich bag.

-Marjorie Snider

A reminder that next Saturday, November 2, is our BIG BAZAAR. Come enjoy the beautiful and interesting crafts from approximately 30

vendors. Breakfast and lunch will be available so plan to come and to enjoy a day filled with food, homemade-crafts, and socializing. The hours are from 8AM until 2PM. Help us make this our most successful year yet. It is this success that will enable us to continue our contributions to our church and to the community.

-Women's Fellowship

Special Acknowledgements

Thank you for the many ways you have expressed your concern for me in the death of my sister. Your phone calls and beautiful cards with such uplifting messages have been a comfort. I feel so blessed to be a part of God's family at Cloverdale.

-Mae Kidd

The new kitchen faucets purchased by the Women's Fellowship have been installed. Thanks to the willingness and talent of our Properties Commission, we saved several hundred dollars in installation costs. Working together we can accomplish much. The project is an excellent example. Thank you!

-Women's Fellowship

Updated Cloverdale figure for Camp Bethel Heritage Day: \$1119.00!!

A huge thank you to all who helped make this great achievement possible: the bakers, crafters, set up and take down crews, all those who worked, and shopped!
